The Honorable Kay Granger
Chair
Committee on Appropriations
U.S. House of Representatives

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

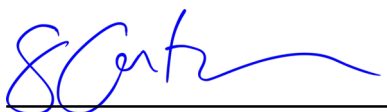

I am requesting funding for Water Main Repairs in fiscal year 2024. The entity to receive funding for this project is the Village of Indian Head Park, located at 201 Acacia Drive, Indian Head Park, IL 60525.

The funding would be used for repairing two main water lines to continue access to safe drinking water for the residents and businesses of Indian Head Park. The project is an appropriate use of taxpayer funds because these water main sections are located near the Village's primary commercial and industrial neighborhoods. Water main breaks in these areas can be very disruptive to the local businesses and residents who rely on them for safe and accessible drinking water.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Sean Casten
Member of Congress
