Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for construction of a public works facility in fiscal year 2025. The entity to receive funding for this project is City of Countryside, located at 803 Joliet Road, Countryside IL 60525. The funding would be used to acquire real property and construct a new public works facility.

The project is an appropriate use of taxpayer funds because a new facility will provide for efficient public works services for the community to benefit residents, local businesses, and visitors to the City of Countryside.

The project has a Federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Sean Casten
Member of Congress
