Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for a Waste Reclamation Facility support in fiscal year 2024. The entity to receive funding for this project is City of Elmhurst, located at 209 N York St., Elmhurst IL 60126. The funding would be used for improving their Waste Reclamation Facility. The project is an appropriate use of taxpayer funds because this is state priority through the Clean Water SRF Intended Use Plan and with this funding the city will be well positioned to maintain its known schedule for effluent phosphorus compliance to the 1.0 mg/L limit.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.”

Sincerely,
