Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Underground Infrastructure in fiscal year 2025. The entity to receive funding for this project is the Village of Lombard, located at 255 E Wilson Avenue Lombard, IL 60148. The funding would be used for the replacement and upgrade of the four (4") inch water main on the blocks of Craig, Stewart, and Lombard.

The project is an appropriate use of taxpayer funds because the increased water flow will significantly improve the ability for first responders to address emergency response to fire events.

The project has a Federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Sean Casten  
Member of Congress
