Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Main Pump Station Improvements in fiscal year 2025. The entity to receive funding for this project is Village of Palos Park, located at 8999 West 123rd Street Palos Park, Illinois 60464. The funding would be used for the replacement of Pump Nos. 1 and 2 and associated piping.

The project is an appropriate use of taxpayer funds because this project will help assure an adequate water supply to the residents of the community.

The project has a Federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Sean Casten  
Member of Congress
