Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for 75th Street Water Main Improvements in fiscal year 2025. The entity to receive funding for this project is Village Of Willowbrook, located at 835 Midway Drive Willowbrook, IL 60527. The funding would be used for construction and engineering associated with new water main installation and replacement along 75th Street.

The project is an appropriate use of taxpayer funds because the project is intended to benefit the community's water needs, improve the distribution capabilities for Public Works, and eliminate financial loss to businesses affected by certain maintenance and repair operations.

The project has a Federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Sean Casten
Member of Congress
