Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Ty Warner Park Permeable Paver Parking Lot in fiscal year 2025. The entity to receive funding for this project is the Westmont Park District, located at 55 East Richmond Street, Westmont IL 60559. The funding would be used for the implementation of a permeable paver parking lot that will improve ground water infiltration and water quality.

The project is an appropriate use of taxpayer funds because by eliminating a failing asphalt parking lot, improved safety and improved access will be provided for the tens of thousands of guests who visit Ty Warner Park. Furthermore, guests of the park and the general public will be made aware of sustainable design, improved water quality and ground water infiltration as a result of this project.

The project has a Federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(2)..

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Sean Casten  
Member of Congress
