Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the 76th Court Water System Improvements for the City of Hickory Hills in Fiscal Year 2027. The entity to receive funding for this project is the City of Hickory Hills, located at 8652 W 95th Street, Hickory Hills IL 60457. The funding would be used for the removal and replacement of existing water mains, valve insertions, hydrant replacements and street restoration.

The project is an appropriate use of taxpayer funds because it will ensure safe drinking water for all residents and is an important step towards maintaining a safe, resilient water system that ensures the community has access to reliable water.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink, appearing to read "SCasten", with a long horizontal flourish extending to the right.
