Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for 80th Ave Pump Station in fiscal year 2025. The entity to receive funding for this project is the City of Palos Heights, located at 7607 W College Drive, Palos Heights IL 60463. The funding would be used to upgrade the 80th Ave Pump Station to provide the City of Palos and the Northwestern Community Hospital with a secondary water source in an event the primary source becomes compromised.

The project has a Federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Sean Casten  
Member of Congress
