Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Community Park Baseball Field for the Darien Park District in Fiscal Year 2027. The entity to receive funding for this project is the Darien Park District, located at 7301 Fairview Avenue., Darien IL 60561. The funding would be used to renovate an old, aging baseball field at Darien Community Park. It would incorporate ADA accessibility by using a turf infield.

The project is an appropriate use of taxpayer funds because the baseball field is not fully ADA accessible, and lacks many common features including shaded dugouts. In addition, it has many drainage issues, which results in canceled youth games. Receiving the funding would allow Darien Park District to fully upgrade and renovate the baseball field for our community and allow for all residents (including residents with ADA needs) to use the facility.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 5305(a)(2) and 42 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink, appearing to read "SCasten", with a long horizontal flourish extending to the right.
