Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Solar Panels for District 58 Schools for the Downers Grove Grade School District 58 in Fiscal Year 2027. The entity to receive funding for this project is the Downers Grove Grade School District 58, located at 850 Curtiss Street, Suite 200, Downers Grove IL 60515. The funding would be used to install solar panels on several school buildings.

The project is an appropriate use of taxpayer funds because it will reduce strain on the local grid and improve reliability.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink, appearing to read "SCasten", with a long horizontal flourish extending to the right.
