Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Nantucket Drive Sanitary Sewer Upgrades for DuPage County in Fiscal Year 2027. The entity to receive funding for this project is DuPage County, located at 421 N. County Farm Road, Wheaton IL 60187. The funding would be used to add an interceptor line to their sanitary sewer network to relieve the pressure on the current lone interceptor.

The project is an appropriate use of taxpayer funds because it will help reduce the occurrences of sewer overflows into neighborhood streets, especially in large rain events. Reducing the risk of sewer overflows also reduces the risk of sewer backups in resident's homes.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink, appearing to read "SCasten", with a long horizontal flourish extending to the right.
