Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for Police Technology and Software Upgrades in Fiscal Year 2027. The entity to receive funding for this project is the Village of Justice, located at 7800 Archer Road, Justice IL 60458. The funding would be used to purchase new body cameras for all Police Officers, new in-dash squad car video cameras for all squad vehicles, software, and data storage for the implementation of the body camera and in-car squad car camera program for the Justice Police Department.

The project is an appropriate use of taxpayer funds because it will create a safer and stronger police department to protect the local economy, our local schools and facilities.

The project has a federal nexus because the funding provided is for purposes described in section 1701(b)(9) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(9)).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink, appearing to read "SCasten", written in a cursive style.
