Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Fire Station Renovation for the Palos Fire Protection District in Fiscal Year 2027. The entity to receive funding for this project is the Palos Fire Protection District, located at 8815 123rd Street, Palos Park IL 60464. The funding would be used to ensure that both fire station facilities comply with updated building codes, life safety standards, and ADA accessibility requirements.

The project is an appropriate use of taxpayer funds because residents will see faster response times, which is particularly important given the high volume of EMS calls in the district.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink, appearing to read "SCasten", with a long horizontal flourish extending to the right.
