Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Ridgeland Avenue Lift Station Basin Sanitary Sewer Rehabilitation Project for the Village of Chicago Ridge in Fiscal Year 2027. The entity to receive funding for this project is the Village of Chicago Ridge, located at 10455 S. Ridgeland Ave., Chicago Ridge IL 60415. The funding would be used to perform sanitary sewer cleaning, televising, necessary point repairs, and installation of cured-in-place lining suitable for a 75-year life expectancy on approximately 24,000 lineal feet of various diameter sewers.

The project is an appropriate use of taxpayer funds because residents within the service area will benefit from the reduction of inflow and filtration (known as “clean water”) into the system will improve the reliability of the existing infrastructure. This will help restore the capacity of the sewer for sewage purposes only which will reduce the likelihood of future sewer overflows and basement backups.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink, appearing to read 'SCasten', with a long, sweeping underline.
