Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Fire Station Relocation and Redevelopment Project for the Village of Lisle in Fiscal Year 2027. The entity to receive funding for this project is the Village of Lisle, located at 925 Burlington Avenue, Lisle IL 60532. The funding would be used to acquire property to support establishing a modernized fire station that will enhance emergency response coverage and improve travel times for fire and emergency medical calls.

The project is an appropriate use of taxpayer funds because residents will see life-safety infrastructure while catalyzing downtown redevelopment, therefore the project advances both public health and economic stability.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink, appearing to read "SCasten", with a long horizontal flourish extending to the right.
