Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Water System Security for Main Pump Stations for the Village of Orland Park in Fiscal Year 2027. The entity to receive funding for this project is the Village of Orland Park, located at 14700 S. Ravinia Avenue, Orland Park IL 60462. The funding would be used to make the critical water system including the main pump station, water towers, booster stations and lift stations more secure.

The project is an appropriate use of taxpayer funds because it will ensure the critical water system is more secure for the residents.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink, appearing to read "SCasten", with a long horizontal flourish extending to the right.
