Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Twin Lakes Water Main Improvement for the Village of Villa Park in Fiscal Year 2027. The entity to receive funding for this project is the Village of Villa Park, located at 20 S Ardmore Avenue, Villa Park, IL 60181. The funding would be used for the removal and replacement of existing water mains, valve insertions, hydrant replacements and street restoration.

The project is an appropriate use of taxpayer funds because residents within the service area will benefit from the elimination of multiple dead-end water mains that are currently operating without any redundancy, and from the restoration of the capacity, reliability, and fire protection that the water supply system provided to residents prior to the failure of one of its critical components.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink, appearing to read "SCasten", with a long horizontal flourish extending to the right.
