Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Spring Rock Park Multi-Use Turf Field Installation for the Western Springs Park District in Fiscal Year 2027. The entity to receive funding for this project is the Western Springs Park District, located at 4400 Central Avenue., Western Springs IL 60558. The funding would be used to install a multi-use synthetic turf field at Spring Rock Park.

The project is an appropriate use of taxpayer funds because the park's existing grass field is heavily used by youth sports programs, recreational leagues, and informal community play.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink, appearing to read "SCasten", with a long horizontal flourish extending to the right.
