Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Westmont Fire Department Station 183 for the Westmont Fire Station in Fiscal Year 2027. The entity to receive funding for this project is the Westmont Fire Station, located at 6015 S Cass Avenue, Westmont IL 60559. The funding would be used to replace Station 183, which has exceeded its functional lifespan and no longer meets the operational needs of the Village.

The project is an appropriate use of taxpayer funds because the current facility faces critical challenges that necessitate a full replacement in order to serve the community quickly and efficiently.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink, appearing to read "SCasten", with a long horizontal flourish extending to the right.
